

# PHOENIX SPARK

---

Solutions Delivered

 **UAE:** Sharjah Media City, Sharjah, UAE

# *A Single Source For All Your Procurement and Logistics Needs* ”

Phoenix Spark has one of the most extensive procurement and supply networks, backed by a strong chain of manufacturers and distributors, to ensure that the supply chain difficulties you confront are solved with innovative and affordable solutions. Our areas of operation include, but are not limited to Procurement & Logistics, Integration of Systems, Manufacturing, and Project Management. We are located and have the resources to serve both public and private clients. Our corporate headquarters is located

in Sharjah, UAE, and has offices in the USA, Iraq, and Qatar. Our logistics division, on the other hand, offers seamless supply chain solutions for optimal bottom - line outcomes. We guarantee cost savings, system efficiency, and a customer - driven attitude. With a host of services such as freight forwarding, customs brokerage, warehousing, local drayage, and interstate transportation- all under one roof, we provide you with the power of a one-stop shop for complete logistical services.

# THE PHOENIX APPROACH

---

Our team of specialists collaborates with clients closely and diligently to evaluate data and better understand their business needs and how they like to utilize vendors. With our extensive commercial and business expertise, we can offer you the perspective and solutions that expose the hidden value.

## GOVERNMENT CAMP SUPPLIES

---

Phoenix Phoenix is capable of supplying materials to government camps. Our logistics experts ensure that materials are delivered promptly and efficiently.

## OIL FIELD SUPPLIES

---

The capability of deliveries extends to oil field supplies. We bring 45 years of experience to the table in catering to energy clients across the globe.

## PROCUREMENT

---

Our sourcing programs are procurement programs that consider how to optimize your choice of suppliers to meet your Moving beyond a pure cost reduction focus, we look deeper into the capabilities of the market and how they can best be used to solve problems and improve business performance.

# LOGISTICS

Phoenix Logistics has built an extensive network of offices in strategic locations and a global chain of reliable partners to offer logistics and freight-forwarding services to its international clients. We've established a significant logistical network, particularly in the Middle East by connecting all offices in the free zones with various ports and airports. With us you can expect:

100% Safe and Reliable Freight and Logistics Solutions

Swift and On-time Deliveries

Unrivalled Customer Care Service

24/7 Individualized Attention

# CUSTOMS CLEARANCE AND ROAD TRANSPORTATION

---

We have a top-notch team of professionals who are knowledgeable and experienced in customs clearing and brokering services and are capable of managing Kuwaiti and Iraqi customs legislation and trade import requirements. Our team swiftly clears cargo from air, sea, and entry ports in Kuwait and Iraq without delays, demurrages, or fines- no matter how large or small, one-time or ongoing. You can rely on our team of internal brokers, with over 30 years of experience, to assist you with your imports and exports.

## WAREHOUSING & DISTRIBUTION

---

Our distribution centers are more than facilities meant for storage. We offer state-of-the-art warehouses designed to offer a robust inventory management system. They come equipped with features such as:

- ✓ Alerts and notification system for non-conformities.
- ✓ Multiple warehouse definitions support
- ✓ Fully automated warehouses with developed inventory control and stock
- ✓ Inception-Based Security

# PHOENIX SPARK- SCOPE OF SUPPLY
